

18. A process for preparing a formulation as claimed in claim 8, which comprises combining the active compound by customary processes which are known per se, preferably by dissolving, stirring or mixing, with a suitable polymer, and introducing this combination into the formulation, if appropriate with other active compounds, adjuvants and additives.--

**REMARKS**

Claims 1-10 remain in the application. Claims 11 and 12 have been cancelled. Claims 9 and 10 have been amended to eliminate multiple dependencies. Attached hereto is a marked up version of the changes made to claims 9 and 10 by the current amendment. No new matter has been added. The attached page is captioned "**Version with markings to show changes made.**" The filing fee has been calculated based upon these amendments to the claims.

Respectfully submitted,
